

Foundation Update

Together we can make a difference...

During the month of January, 10 cents from every coffee sold at **ANY MCDONALD'S** in Trenton will be donated to the Trenton Memorial Hospital Foundation's C-Arm Campaign. Visit your local McDonalds to show your support!

Having a C-Arm at Trenton Memorial will increase the overall number and types of surgical services offered at this site, especially in the area of Orthopedics and Urology. Other benefits include the reduction in length of a patient's stay in hospital following surgery and quicker recovery time. The availability of a C-Arm also attracts and assists in the recruitment of new specialists to our area.

To build the very best hospital for you and your loved ones, we need your help - for better equipment, facilities and research.

A portion of the proceeds will go to support the Trenton Memorial Hospital Foundation

Monthly giving is one easy way to contribute to the Trenton Memorial Hospital Foundation. It's fast, easy, predictable, makes your donations affordable and convenient. But most importantly, it demonstrates your ongoing commitment to help us provide excellent health care services to our patients and reduces our administrative costs.

If you would like more information on how we can set you up as a monthly donor, please contact Lynn at 613.392.2540 ex.5401.
