If you ever need to change or cancel your contribution simply contact us at 392-2540 ext 5401 with no questions asked.

A strong vibrant hospital in our community is very important to our Health, the economy, and our partners at 8-Wing CFB Trenton.

Your continued financial support is necessary to provide critically needed medical equipment at Trenton Memorial Hospital.

Knowing what we will receive monthly enables us to provide continuous funds for the purchase of new equipment, future expansion of hospital services, staff education and a guarantee for the quality of care that you have come to expect.
