2016 GALA BREAKFAST AT TIFFANY'S

SPONSORSHIP OPPORTUNITIES

Every year our hospital needs to re-invest in new medical equipment to keep up with innovative and technologically advanced ways to diagnose, treat and care for our patients. The vast majority of equipment is paid for by donations to the Trenton Memorial Hospital Foundation. Without these important gifts, we cannot meet the demand for new equipment or recruit and retain medical professionals for our hospital and community.

Our Foundation also raises funds to support staff education, renovations and redevelopment, and new this year we've added the Fund the Future campaign. This latter effort is in support of the new model of health care being proposed by the Ministry of Health that will see the integration of various health care agencies co-located in the hospital.

At Trenton Memorial Hospital we strive to provide the very best patient experience through compassionate care and the latest advances in health care. In the past decade this premiere black tie event has raised more than \$1 million for our local hospital to help fund priority medical equipment. Just in the last three years, it has raised (netted) over \$906,000.

This event garners wide-spread media exposure to over 160,000 people in the region, including the 3,000 military members and their families located at CFB 8-Wing Trenton. Those attending include over 300 of the region's most influential business leaders and decision makers.

The TMH Foundation makes every effort to develop long-term partnerships with the businesses that support our events. These partnerships maximize exposure for all of us and help to create a strong alliance with mutually beneficial outcomes -this year will be no exception.

We hope you will join us for our upcoming gala on Saturday October 1, 2016 at the Knights of Columbus Hall, Trenton. Prepare to be wowed as we bring you fine cuisine, live entertainment and unique auction items. There are several sponsorship opportunities available for your consideration and we would certainly welcome your support.

Thank you for your consideration. We look forward to seeing you for our 2016 gala.
