INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Trenton Memorial Hospital Foundation

Report on the Financial Statements

We have audited the accompanying financial statements of Trenton Memorial Hospital Foundation, which comprise the statement of financial position as at March 31, 2014 and the statements of operations and changes in fund balances and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

Basis for Qualified Opinion

In common with many charitable organizations, Trenton Memorial Hospital Foundation derives revenue from donations, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, our verification of these donations was limited to the amounts recorded in the records of the Trenton Memorial Hospital Foundation and we were not able to determine whether any adjustments might be necessary to donations revenue, excess of revenue over expenses, assets and fund balances.

Qualified Opinion

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, these financial statements present fairly, in all material respects, the financial position of Trenton Memorial Hospital Foundation as at March 31, 2014, and the results of its operations and cash flows for the year ended in accordance with Canadian generally accepted accounting principles.

**TRENTON MEMORIAL HOSPITAL FOUNDATION
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED MARCH 31, 2014**

1. PURPOSE OF THE ORGANIZATION

The Trenton Memorial Hospital Foundation (The "Foundation") is a public Foundation incorporated for the purpose of raising and managing funds that will assist Quinte Healthcare Trenton Memorial (the "Hospital") and its healthcare professionals in providing quality healthcare services to the area communities. In addition, the Foundation raises and manages funds that support a variety of other healthcare services in its catchment area. The Foundation raises these funds through comprehensive fundraising programs and the management of its investment portfolio.

The Foundation's investment policies and decisions are made by an Investment Finance Committee of the Board of Directors (the "Board") with the support of a professional fund manager. In accordance with these policies, investments in shares in publicly traded companies are restricted to well capitalized corporations listed on major North American stock exchanges, guaranteed investment certificates and high-grade corporate and government bonds.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of the Foundation have been prepared in accordance with Canadian accounting standards for not-for-profit organizations. The following summary of significant accounting policies is set forth to facilitate the understanding of these financial statements:

Fund Accounting

In order to ensure observance of the limitations and restrictions placed on the use of resources available to the Foundation, the accounts of the Foundation are maintained in accordance with the principles of fund accounting. Accordingly, resources are classified for accounting and reporting purposes into funds. These funds are held in accordance with the objectives specified by the donors or in accordance with directives issued by the Board. Transfers between the funds are made when it is considered appropriate and authorized by the Board. To meet these objectives of financial reporting and stewardship over assets, certain inter-fund transfers are necessary to ensure the appropriate allocation of assets and liabilities to the respective funds. These inter-fund transfers are reported on the Statement of Operations and Changes in Fund Balances.

The Foundation follows the restricted fund method of accounting for contributions. The Foundation ensures, as part of its fiduciary responsibilities, that all funds received with a restricted purpose are expended for the purpose for which they were provided.

**TRENTON MEMORIAL HOSPITAL FOUNDATION
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED MARCH 31, 2014**

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (Cont'd)

For financial reporting purposes, the accounts have been classified into the following funds:

(a) Community Health Care Fund

The Community Health Care Fund accounts for the Foundation's general fund-raising and granting activities. This fund reports unrestricted resources available for immediate purposes and internally restricted resources available to fund continued operations.

(b) Restricted Funds

The Restricted Funds include those funds where resources are to be used for an identified purpose as specified by the donor, as stipulated by the fund-raising appeal, or as determined by the Board.

(c) Endowment Funds

The Endowment Funds consist of externally restricted contributions received by the Foundation where the endowment principal is required to be maintained intact. The investment income generated from the assets held for endowment purposes must be used as directed by the donor.

(d) Investments

Investments are classified as held for trading and are measured at fair value. Fair values are based on the listed market values. Gains and losses arising from changes in fair value are included in the Statement of Operations and Changes for the period.

(e) Translation of Foreign Currencies

The cost of investments, revenues and expenses denominated in foreign currencies are translated into Canadian dollars at the transaction date.

(f) Revenue Recognition

Unrestricted contributions are recognized as revenue in the Community Health Care Fund in the year received. Donor restricted contributions for specific purposes are recognized as revenue in the Restricted Fund unless the principal is to be maintained permanently, in which case the contributions are recognized as revenue in the Endowment Fund.

Investment income (loss) on Endowment Fund resources that must be spent on donor restricted activities is recognized in the Restricted Fund. Investment income (loss) subject to donor restrictions stipulating that it be added to the principal amount of the endowment is recognized in the Endowment Fund. Unrestricted investment income is recognized in the Community Health Care Fund.

**TRENTON MEMORIAL HOSPITAL FOUNDATION
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED MARCH 31, 2014**

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (Cont'd)

(g) Grant Recognition

Grants and commitments are recognized at the date of Board approval.

(h) Tangible Capital Assets

The Foundation's capital assets are carried at cost. Amortization of capital assets, which is based on estimated useful life, is calculated using the rates and bases applied as follows:

Asset	Basis	Rate
Artwork	Not applicable	Nil
Donor Wall	Straight-line	10 years

3. CAPITAL REQUIREMENTS

The Foundation's objectives with respect to capital management are to maintain a minimum capital base that allows the Foundation to continue with and execute its overall purpose as outlined in the fund balances accounting policy in Note 2. The Foundation's Board of Directors perform periodic reviews of the Foundation's capital needs to ensure they remain consistent with the risk tolerance that is acceptable to the Foundation.

4. TANGIBLE CAPITAL ASSETS

	2014		2013	
	Cost \$ (000's)	Accumulated amortization \$ (000's)	Cost \$ (000's)	Accumulated amortization \$ (000's)

8. RELATED PARTY TRANSACTIONS

Related parties include the Tri-County Healthcare Foundation, Quinte Healthcare Corporation and other Quinte area healthcare provider.

Transactions with these related parties have been recorded at the exchange amount and include:

- i) During the year, the Foundation transferred \$113,891 to Quinte Health Care from the Priority Medical Equipment Fund as part of the 2011/2012 fiscal commitment. An adjustment of \$15,202 was made to clear the 2011/2012 commitment.

During the year, the Foundation committed an additional \$173,631 for the purchase of 2013 priority medical equipment and transferred \$337,296 and \$17,052 to Quinte Health Care from the Priority Medical Equipment Fund as part of the 2012/2013 priority medical and non medical equipment commitment. An adjustment of \$103,897 was made to adjust the 2012/2013 commitment.

During the year, the Foundation committed \$213,868 and \$160,500 for the purchase of 2013/2014 priority medical and non medical equipment of which \$207,562 was transferred to Quinte Health Care from the Priority Capital Fund. An adjustment of \$43,903 was made to reduce the 2013/2014 commitment.

- ii) During the year, the Foundation transferred \$35,000 towards the Cardiology renovation. An additional \$3,465 was transferred.
- iii) During the year, the Foundation committed \$116,445 towards Medical Day Clinic equipment. As of March 31, 2014, no funds have been transferred to Quinte Health Care from the Priority Capital Fund.
- iv) During the year, the Foundation transferred \$147,859 to Quinte Health Care from the Priority Capital Fund as part of the 2011/2012 Ambulatory Clinic commitment. An additional \$20,423 was transferred.
- v) During the year, the Foundation committed \$130,605 towards DVSARP Renovations of which \$130,605 was transferred to Quinte Health Care from the Priority Capital Fund.
- vi) During the year, the Foundation committed \$46,010 from the Kay Stafford Fund, of which \$45,745 was transferred. In addition to the current year commitment, an additional \$6,961 was transferred and \$1,132 was removed from the current and prior years commitment balance.

9. INTERFUND TRANSFERS

The Foundation transferred \$7,839 from the Commitment fund to the Community Healthcare Fund during the year. This has been shown as an inter-fund transfer.

**TRENTON MEMORIAL HOSPITAL FOUNDATION
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED MARCH 31, 2014**

10. FINANCIAL INSTRUMENTS

The fair values of the Organization's cash, accounts payable, accounts receivable and commitments approximate their carrying amounts due to the immediate and short-term nature of these financial instruments. It is not practicable to determine the fair value of the amounts due to related parties due to the non-arm's length nature of the relationship and that there are no repayment terms. The fair value of their investments presented as long-term assets is market value.

The Organization has a comprehensive risk management framework to monitor, evaluate and manage the principal risks assumed with financial instruments. It is management's opinion that the organization is not exposed to significant credit risk, liquidity risk or foreign exchange rates risk from these financial instruments.

Market Risk

Market risk is the risk that the fair value or future cash flows to a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency rate, interest rate risk and price risk. The Foundation is mainly exposed to interest rate risk and price risk on its investment portfolio.

Price Risk

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from interest rate risk or currency risk), whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial traded in the market. The Foundation is exposed to price risk through its investment portfolio but has taken steps to mitigate this risk through the adoption of its investment policy as described in Note 2 (d).

Interest Rate Risk

Interest rate risk is the potential for financial loss caused by fluctuations in fair value or future cash flows of financial instruments because of changes in market interest rates. The Foundation is exposed to interest rate risk on its investment portfolio, however management has mitigated this risk by adopting the investment policy described in Note 2 (d) in these financial statements.
